KRUMPT

Name: Krumpt
Species: Vukvuk
Planet of Origin: Zaphus
Age: 12
Special abilities: Super jumping

Krumpt is a Vukvuk, who lives on the planet Zaphus. Vukvuks have very powerful legs, which make them great jumpers. They can jump very high, so there are no staircases or lifts in buildings on Zaphus because everyone can jump up to the floor they want. Super jumping is also useful for picking ugwoks, which are a banana-like fruit that Vukvuks eat that grow at the top of very tall trees. Krumpt enjoys collecting player cards for his favourite sport Rymchura, which is a bit like soccer.

SKWORQ

Name: Skworq
Species: Adriwko
Planet of Origin: Taral
Age: 7
Special abilities: Magic healing song

Sqworq is a Blov from the planet Prehiri. Blovs are healers that can fix injuries that they or others have suffered with their magic song. This is why you will often find Blovs working in hospitals on other planets. Although Blovs can heal wounds or broken bones, they can't cure disease. Sqworq works at a children's hospital on the planet Vukvuk, where children often hurt themselves by jumping up high trees and then falling out of them. In her spare time, she likes to fly her UFO to other planets and create photo albums of her travels.

CHWONK

Name: Chwonk
Species: Zeori
Planet of Origin: Zaphus
Age: 5
Special abilities: Upside-down climbing on any surface

Chwonk is a Zeori from the planet Zaphus. Zeoris are known for being great climbers on any kind of surface and can even climb upside down. They have special wings that act as protection to prevent them from falling. When Chwonk was learning to climb, she practiced on an asteroid floating in space. Her mother wasn't too pleased about this, and so now Chwonk only climbs on trozes (a type of tree) and up and down the side of her home (which has lots of zig zag shapes). Her cousin is Krumpt.
