ALIENS LOVE UNDERPANTS by Claire Freedman

"Aliens love underpants, in every shape and size, But there are no underpants in space, so here's a big surprise..." You probably thought aliens came down to Earth with a view to taking over the planet - but, no, they simply want to steal your pants!

THE DARKEST DARK by Chris Hadfield

Chris loves rockets and planets and pretending he's a brave astronaut, exploring the universe. Only one problem--at night, Chris doesn't feel so brave. He's afraid of the dark.

But when he watches the groundbreaking moon landing on TV, he realizes that space is the darkest dark there is--and the dark is beautiful and exciting, especially when you have big dreams to keep you company.

THE SMEDS AND THE SMOOS by Julia Donaldson

The Smeds and The Smoos are two groups of aliens. The Smeds (who are red) and The Smoos (who are blue) never mix. When Janet and Bill, a young Smed and Smoo, fall in love, their families strongly disapprove, but love conquers all. Janet and Bill not only bring their warring blue and red families together--they also celebrate the arrival of their gorgeous purple baby.

TOYS IN SPACE by Mini Grey

That summer night, the toys were left outside. . . . For the very first time, the Wonderdoll, the helpful wind-up robot, the thoughtful green dinosaur, and the rest of their plucky gang lie in the grass, gazing up at the stars. But one star seems brighter than the rest. As it grows bigger and bigger, the toys realize it may not be a star at all! Soon they're venturing into the unknown, traveling by spaceship, where they meet a lonely alien in need of help, and some friends.

STELLARPHANT by James Foley

Stella wants to be an astronaut. There is only one problem: Stella is an elephant. Every time she applies to Space Command, they come up with a new reason she can't join. But where there's a will, there's a way and Stella is determined to reach for the stars.
